4: EXAM LANGUAGE ASSESSMENT CHECKLIST

EXAM LANGUAGE ASSESSMENT CHECKLIST

To pass the official EOI speaking exam you must demonstrate the assessment criteria and avoid making mistakes below the level. The **Exam Language Assessment Checklist** below illustrates the scope of language expected at **C2 level**.

Use the **Inglés Málaga EOI C2 Building Blocks Guide** as your reference guide for the language features required to achieve a passing grade: grammar, vocabulary, linkers & cohesive devices.

1. **While preparing for your exam**, practise using a variety of the structures and language features; it is neither possible nor necessary to use all of them.
2. **The key is to avoid repeating** the same structures. Candidates that do this usually fail because they don't demonstrate sufficient grammatical range to pass.
