EXAM LANGUAGE ASSESSMENT CHECKLIST

To pass the official EOI speaking exam you must demonstrate the assessment criteria and avoid making mistakes below the level. The **Exam Language Assessment Checklist** below shows you the range of language expected at a **B2 level**.

Use the **Inglés Málaga EOI B2 Building Blocks Guide** as your reference guide for the language items needed to achieve a passing grade: grammar, vocabulary, linkers & cohesive devices.

While preparing for your exam, practise using a variety of the structures and language items. It is not possible or necessary to use all of them. **The key is to avoid repeating the same structures.** Candidates who do this often fail because they do not show enough variety to pass.
